Bid Day!

Content is no longer available

We are so excited to welcome our new Psi class! We celebrated on March 2nd with an 'ASK in Bloom' Bid Day. It was a blast! We are so excited to see all the wonderful things they do for our organization, and watch as they begin their candidacy with our Candidate Educator Ellie!

Alum of the Month!

Devon Montague

I was a part of the Beta class, and currently the Alum Communications Officer.

I am a Pharmacy Technician at the Colorado Veterans Community Living Center Pharmacy at Fitzsimons. Originally this pharmacy started by servicing four of the state's Veterans homes and in the past year have taken on the state's three Regional Centers. As of recent (in the past month) we learned we'd also start servicing Mental Health Transitional Living Homes (MHTLH). We currently have two MHTLH that we started providing medications for and will have a total of 3 homes by the end of the year.

When I'm not at work I enjoy cooking, reading, and spending time watching my godsons wrestle and play baseball.
